

# Homelessness Solutions

## Community Forum

**Monday, May 13**  
**6 – 8 p.m.**

**First Presbyterian Church**  
**531 S College Ave.**

**Lucky's Market**

The event includes a short presentation and informational tables from various service providers.

The purpose is to inform community members on ways organizations in Fort Collins are providing strategic supportive services to the community for those experiencing homelessness. It's a chance to learn about solutions that work to reduce homelessness and the identified gaps our community still needs to fill so we can sufficiently respond to homelessness.
